

Boy Scout Troop 442

2749 Bent Tree Drive
Dexter, Michigan 48130

Dear Friend;

My name is Michael O'Keefe and I am the Scoutmaster of Boy Scout Troop 442 in Dexter Michigan. We provide a scouting program that matches the mission of boy Scouts while providing a great outdoor program teaching the scouts first aid, outdoor skills and leadership and instilling in them the values of the Scout Oath and Law. Over the past year, the number of youth members of our troop has nearly doubled, reinforcing the value of the program we provide.

It is impossible to provide such an excellent program without the support from businesses and organizations such as yours. Each year our troop has an Annual Golf Scramble to raise funds to support our scouting program. In the past businesses and organizations like yours have demonstrated their support for our boy scout troop by being a hole sponsor. Donations have ranged from \$50 to \$200. In addition, businesses and organizations have donated door prizes for our golfers. It would be great if you were able to provide a donation as a hole sponsor and/or donate a door prize. In recognition of your generosity we will include your business's or organization's name on the event program, our web site and on the golf course for hole sponsors.

Our 12th Annual Golf Scramble, will be held on June 20 at 8:00 at the Lake Land Hills Golf Club, and we greatly appreciate your support for our scouting program. If you are able to support our event, please complete the attached form and send it with your donation to the address on the form. If you would prefer to have someone pick up your donation, you can register on our web site <http://www.dextertroop442.com/GolfSponsor> providing the necessary information, or call me at (734) 426-2242. In addition, if you would like to donate a door prize we would be happy to pick it up.

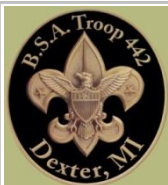

Our golf scramble is truly a first class event. The event includes 18 holes of golf, cart, breakfast, snacks and dinner for a donation of \$50.00 per golfer. Last year we had nearly 100 golfers participate in our event.

I would like to provide you with some basic information on the opportunities we've provided to the scouts in our troop. This has been a great year for the scouts of Troop 442. The most recent event was a camp-o-ree where the scouts competed against other troops, demonstrating scouting skills, leadership and teamwork. Our scouts did an excellent job and finished in first place at the event. In addition, our scouts went to summer camp, participated in a Scuba event, an engineering camp-o-ree, backpacked on Isle Royale and much more. We participated in several community service projects and we have held several activities for younger scouts, Webelos, to encourage them to continue with scouting.

If you would like to learn more about our troop, our activities and the golf outing, please visit our troop web site, www.dextertroop442.com. Again, I would like to ask you to consider helping our troop and our scouts by supporting our fundraiser and sponsoring a hole and/or contributing a door prize.

Sincerely,

Michael R. O'Keefe
Scoutmaster
