

# Mailing Address & Phone Use

---

## MAILING ADDRESS & PHONE USE

### **MAIL:**

We encourage family members to write scouts during their stay with us. However, for mail to reach scouts in time mail should be mailed at least 3-4 business days prior to its intended arrival date.

*[Scout's name, Troop #]*

*[Campsite]*

Lost Lake Scout Reservation  
4930 S. Lake Station Ave.  
Lake, MI 48632

Note: We the leaders of Troop 442 encourage you to send your scouts mail. However, mail can make your scouts home sick. You should not say that you miss them; you should not tell them that they have missed out on anything. The best thing to do is talk about how much fun you think they are having. Keep it positive.

### **EMERGENCY PHONE MESSAGES:**

- Camp phones are staffed between the hours of 8:00 AM and 11:00 PM.
- Emergency messages to a member of a Troop will be delivered immediately during these hours.
- Be sure to include the Troop # of the person for whom the message is intended.

Note: It has been our experience that calls home do not typically help the scouts. For this reason, we do not allow the scouts to call home.

### **CAMPER EMAIL:**

Lost Lake offers an email delivery service through a partnership with Bunk1. The system can be accessed at <http://www.lostlake.bunk1.com>. To learn more, see the CVC website, <http://www.cvc-bsa.org/camping/scoutCamp/pdf/l1sr09/l1srBunk.pdf>.

Note: Treat this in the same manner as Mail described above.
