Note: In prior years the scouts stayed in tents provided by the camp. On the positive, the scouts were provided cots and mattresses. In the negative, there was not bug netting. This year the scouts will be staying in troop tents. Make sure the scouts have a good sleeping pad. In addition, It would be best to send the scouts with a Plastic Tub, not their back packs. 1st year scouts might need there packs as part of the 1st year program.
